

RBD Palm Olein CP10 is Refined with Saturate Protected formula, which helps to reduce oil absorption during Cooking and Frying. It is Tasteless and Odourless formula, which means when you eat, then you taste the food and not the oil.

Refined, Bleached, and Deodorized (RBD) Palm Olein CP8 and CP10 are a dynamic duo of cooking oils. CP8, with its cloud point of 8 degrees Celsius, offers clarity and stability at lower temperatures, while CP10, with a slightly higher cloud point of 10 degrees Celsius, provides versatility for various culinary applications. This combination caters to a range of cooking preferences and needs.
